Precast Additive Fluid – Waterproofing Chemical Additives (Table 9)

LTX

LATEX – Waterproofing Chemical Additives (Table 9)

defined products are submitted by the manufacturer to initial type-testing and the factory production control. With this certificate

**EN 934-2:2009+A1:2012**

This certificate, attests that all provisions concerning the assessment and verification of constancy of performance (AVCP) described in the Annex ZA of the above standard under System 2+ for the performances set out in this certificate are applied and that the factory production control, conducted by the manufacturer, is assessed to ensure constancy of performance of the construction product

This certificate is initially issued on 17.06.2021 and will remain valid until 16/06/2024 as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.
